DESCRIPTION

VicWallpaper is a revolutionary new way of acoustic and thermal isolation, for residential and commercial applications. Developed to perform on high frequencies, VicWallpaper is ideal for improving speech and intelligibility on places like meeting rooms, living rooms or classrooms.
Manufactured in recycled EuroClass B PET and covered with fabrics, VicWallpaper is easy and fast to install, not requiring any specialised and expensive labour.

APPLICATIONS

. Large halls
. Office
. Residential
. Restaurants
. House of Worship
. Gyms
. Canteens
. Studios
. Lobbies
. And many more
